

Yogyakarta

Grand Mercure Hotel
ACCORhotels

Indonesia

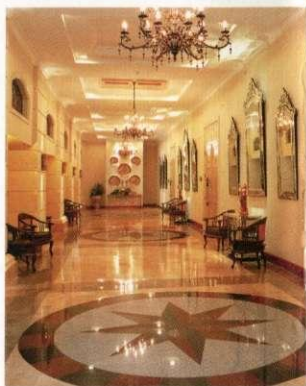

Elegantly set in the heart of Yogyakarta, the majestic building of Grand Mercure Yogyakarta dates back to the early 1900s. Capturing its colonial essence, yet providing guests with contemporary comforts, this boutique hotel is an ideal setting for discerning travellers.

Yogyakarta's cultural heritage and picturesque setting emits a special charm which seldom fails to interest visitors. Yogyakarta is located at the foot of Gunung Merapi volcano and is steeped in history.

Grand Comfort

The 143 exquisite rooms, including 10 suites, each have private balconies overlooking the urban streetscape, maintained hotel grounds or the bright swimming pool. An elegant design reflecting the ambiance of the area and the spirit of the century-old building echoes throughout the rooms.

Modern comforts, including satellite TV and IDD telephone facilities are provided in all rooms. The luxurious suites provide ultimate relaxation opportunities with grand bathrooms and spacious bedrooms.

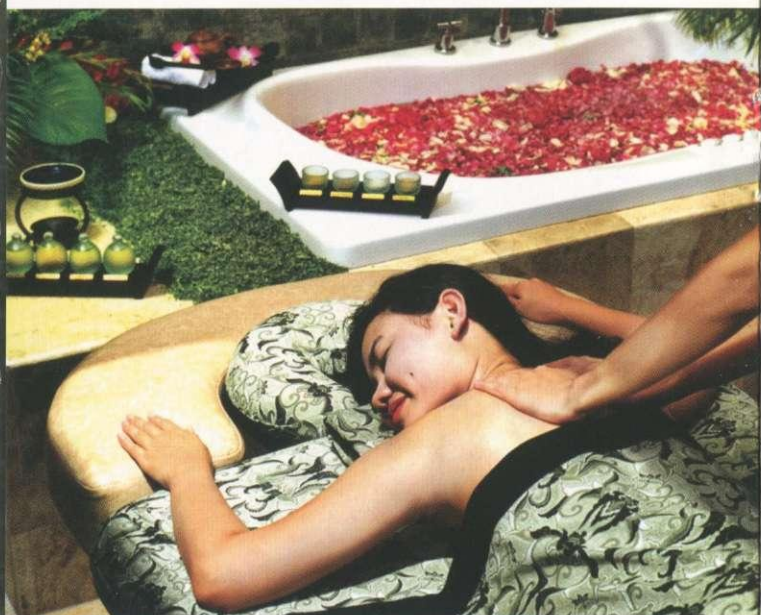

Grand Dining

An array of Eastern, Indonesian and Western dishes are on offer at Paprika Restaurant. The open kitchen showcases the chefs' talents in preparing a fusion of flavours. Room service is available 24 hours a day.

For a relaxing drink, 1918's terrace bar is the perfect location. Overlooking an open-air courtyard with water features, its mellow ambiance is an ideal accompaniment to an evening cocktail. For those looking for a faster tempo head to the trendy Vino bar which features nightly entertainment.

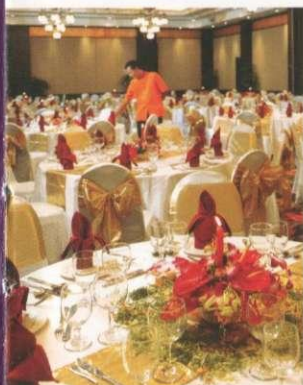

Grand Relaxation

Relax by the central outdoor swimming pool, exercise in the fitness centre or simply unwind with holistic treatments at the spa. Therapeutic and rejuvenating packages are available, all prepared from natural ingredients to reduce tension and refresh your body.

Grand Business

Whether it be a conference in the well-appointed meeting rooms – with space for up to 600 delegates – or a cocktail gathering around the swimming pool, we will cater to your individual requirements. The business facilities include high-speed Internet access and all secretarial services.
